RELIGION:

Community

We will explore what it is like to belong to a community and find out about our parish community, how people serve the church, come together and celebrate.

Giving and Receiving

We will explore everyday giving recieving and find out about the Eucharist.

SCIENCE:

Electricity

We will identify common electrical appliances, construct simple circuits, create switches and identify insulators and conuctors.

WIDER CURRICULUM:

Watercolour

In art, we will look at the work of Katsushika, practice different watercolour techniques, look at atmospheric perspective in paintings and finally create our own Big Wave painting.

Ancient Egypt

In History, we will find out about different ancient civilisations before looking at life in Ancient Egypt in greater depth - the importance of the Nile, hieroglyphics, the social hierarchy, the pyramids and mummification.

Mi Casa

In spanish, we will learn to say where we live and which rooms we have and do not have in our homes.

Fantasy Football Team

In music, we will identify, play from, and combine rhythm patterns to make a sequence . Perform a whole-class 'rondo' made up of playing and singing.

OUR CLASS READS:

Bill's New Frock by Anne Fine

Electric Storm by Anne Capeci
