

# This Half Term's Learning

## MATHS:

We will be continuing with addition and subtraction this half term. We begin with subtracting 4, 5 and 6 digit numbers using the formal written method- column method. This will include both with and without an exchange

We will then move onto mental addition and subtraction using known number facts to help us with this along with rounding.

Our times tables focus will be multiplying and dividing by multiples of 100

## KEY INSTANT RECALL FACT

Prime numbers to 20
