

# This Half Term's Learning

## MATHS:

Round 4 digit numbers to the nearest 1,000, 100 and 10.

Column addition (4 digit numbers)

Column subtraction (4 digit numbers)

Perimeter

3,6,9 times tables

## RELIGION:

### **Community**

We will discuss our big question, "What make a community," and look at the roles of people within the church community.

### **Giving and receiving**

We will discuss our big question, "Is it better to give or to receive?" We will look at the ways and reasons Christians help other.

### **Self Discipline**

We will be answering our big question, "Why is self discipline important." We will think about times when we need to show self discipline and how this links to Christian beliefs.

## SCIENCE:

### **Animal including humans**

We will continue to look at what happens when food enters our digestive system and take a closer look at the role our teeth play.

## WIDER CURRICULUM:

### **Haiku Poems**

Skill -Handwriting

### **Diary Writing (the flood)**

Consolidation of skills taught

### **Re-tell (Greek myths)**

Skill-Short sentences to move story on

Expanded noun phrases with modifiers

### **Re-tell (The True Story of The Three Little Pigs)**

Skill- Appropriate nouns / pronouns
